Why buyers work with us

- Based at the port: we inspect lots and supervise loading ourselves in Thoothukudi.
- Sourced close to the farms, through farmer groups and the main trading markets of Tamil Nadu.
- Lot photographs and a physical sample before you confirm; lab reports on request.
- Every term written into a contract before loading.
- Quotations within one working day, in English or Tamil.

Commercial terms and shipment

Port of loading	V.O. Chidambaranar Port, Thoothukudi (INTUT)
Incoterms	FOB Thoothukudi, CFR or CIF to your port of discharge.
Payment	30–50% advance by telegraphic transfer with the balance against shipping documents, or an irrevocable letter of credit at sight. No open credit on a first order.
Minimum order	Usually one 20 ft container per product line. Trial lots and mixed containers are discussed case by case.
Quotation	Sent within one working day, in USD or INR, valid for the number of days stated on it.
Samples	Photographs of the lot and a physical sample before you confirm. Courier cost is agreed per case.
Shipment	Usually 2 to 4 weeks from confirmed order and payment, depending on product and season.
Inspection	Third-party inspection (for example SGS or Bureau Veritas) at loading is welcome, at a cost agreed in the contract.

Documents with each shipment

- Commercial invoice
- Packing list
- Bill of lading
- Certificate of origin (preferential origin where it applies)
- Phytosanitary certificate for plant products
- Health certificate for seafood
- Lab test report when ordered
- Fumigation certificate when the destination requires it

Quality checks

- Visual grading for size, colour, damage and foreign matter
- Moisture check on every dry lot
- Lab tests on request: pesticide residue, aflatoxin, microbial, and product tests such as curcumin or EC
- Phytosanitary inspection by India's Plant Quarantine service for plant products
- Third-party inspection at loading welcome

Export registration by product line

Product line	Registration
Onion, garlic, vegetables, pulses, rice, jaggery, moringa	APEDA
Spices and tamarind	Spices Board India
Cashews	Cashew Export Promotion Council of India (CEPCI)
Coconut and coconut products	APEDA or Coconut Development Board, by product
Coir and cocopeat	Coir Board
Coffee and tea	Coffee Board and Tea Board
Frozen seafood	MPEDA, with an EIC-approved processing plant
Food products in general	FSSAI licence

Each product line's registration is completed before that line's first shipment.

Request a quotation

Send the product, grade, quantity and port of discharge. We reply with price, packing, shipment date and sample details within one working day.
